• **LYNNWOOD ROSARY 13th x3236-640.** Gene McDonald thought last spring, when T P S Coronet Meridian x calves were young, that Lynnwood Rosary 13th x might be the best one. The Rosary family has been in the Nickel and Lynnwood herds since 1924. A heifer from that family was First, as long ago as 1936, in Mixed Competition in the 4-H Show at the Illinois State Fair. The foundation cow of that family was the Grand Champion Female at the 1916 International. She was a good cow judged by today's standards. Lynnwood Rosary 6th x, the bottom cow in the pedigree, was one of the few Rosary females to leave Lynnwood. She brought \$1,000.00 in an International Sale. Calfhood vaccinated.

RECOMMENDED GUARANTEE

(1) TERMS: The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

(2) LIABILITY: Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

(3) A — Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B — All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C — With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

D — When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E — All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

F — Certificates of Registry and Transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.

G — Shipment will be made as soon as released, but at purchaser's risk of loss or injury after animal is bid off.

H — All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

(4) SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals are cared for properly.

BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.

(5) INSURANCE: Coverage may be secured at the time of sale.
